

REMARKS

This communication is in response to the Office Action mailed on October 2, 2009. In that Office Action the Examiner rejected claims 5, 6, and 9 under 35 USC §112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter that the applicants regard as the invention. The applicants have amended claim 5 to clarify that the session identifiers recited in the claim are the same element. Claims 1-6, 9, 10, 12 and 13 are now pending in the application.

The amendment is believed to overcome the rejection of claims 5, 6, and 9 under 35 USC §112.

The Commissioner is hereby authorized to charge any insufficient fees or credit any overpayment associated with this application to Deposit Account No. 50-4545 (5302-004-US01).

Conclusion

In view of the foregoing, all of the Examiner's rejections to the claims are believed to be overcome. The Applicants respectfully request reconsideration and issuance of a Notice of Allowance for all the claims remaining in the application. Should the Examiner feel further communication would facilitate prosecution, he is urged to call the undersigned at the phone number provided below.

Respectfully Submitted,

/Chadwick A. Jackson/
